

PLEASE READ THESE INSTRUCTIONS IN THEIR ENTIRETY

The financial assistance (FA) process is strictly confidential. By submitting your financial assistance packet, you agree to the terms and conditions of the financial assistance policies and procedures. Financial need is determined by the ability to meet educational expenses, not on a willingness to pay. Awards are annual, contingent upon continuing eligibility and availability of funds.

Financial Assistance (FA) documents will not be accepted or processed until the Enrollment & Tuition Agreement has been signed and all monies due to Meyer Prep are paid and up to date.

DEADLINE:

For existing Meyer Prep families, the FA application is due no later than February 4, 2022.

For new families, the FA application is due one week from the date the signed Enrollment and Tuition Agreement is submitted.

All financial assistance applications submitted after the deadline will be reviewed on a first-come, first-serve basis. Adhering to the deadline and responding to missing information is critical.

THE FINANCIAL ASSISTANCE PROCESS:

FA LINK: The financial assistance application is completely online. Please use the following link to complete the application: <https://financialassistance.iotform.com>

1. Please complete the application in full. Do not leave any question unanswered.
2. If the question does not pertain to your situation, write "N/A" in the space provided.
3. All documents on the CHECKLIST need to be uploaded in the specified section before submitting the application.
 - Once the application is submitted, any missing items will not be able to be uploaded to your current file.
 - If items are missing after the application is submitted and then emailed at a later date, the process of reviewing your application will be slowed considerably.
 - For Example:
If your bank statement includes a debit to a credit card company, make sure the credit card listed on the bank statement is included with the statements you upload in the credit card section.
4. EXCEPTIONS to submitting items by the deadline:
 - 2021 Tax Returns are due when completed but no later than April 16, 2022.
 - 2021 Tax related items such as 2021 W-2's or 1099's are due February 2022, if not included in the originally submitted application.
 - **DO NOT wait for the above items before submitting the application. Adhere to the January 31, 2022 deadline.**
5. Upload form 4506. Only parent signatures are required on that form.
6. The non-refundable application fee is \$50 if your paperwork is received by the deadline. After the deadline the fee will increase to \$100.
7. Please use the following PayPal link to pay the FA application fee: <https://www.paypal.com>

8. In addition to Meyer Prep's financial assistance, all families are required to apply to Step Up for Students for their income-based scholarship.
Link: stepupforstudents.org.

DO NOT wait to hear if you are awarded Step Up for Students before applying for Meyer Prep's financial assistance.

Upload documentation that you have submitted your application to Step Up for Students with your Meyer Prep Online financial assistance application.

9. Once your financial assistance is received, you will be notified of any items needing clarification. You will have one week to submit the requested items. If the items are not received by the given date, your financial assistance will NOT be reviewed, and your Enrollment & Tuition Agreement will be considered a FULL pay agreement.
10. Both parents' information that sign the Enrollment and Tuition Agreement must be included on the Application. If parents are not married, 2 separate Financial Assistance Applications are required.
11. Financial assistance is not guaranteed.

FA COMMITTEE'S DECISION:

- If financial assistance is awarded, parents will receive a revised Enrollment and Tuition Agreement through DocuSign. Both parents (if applicable) are required to sign within one week of the revision being sent or the financial assistance will be forfeited.
- If financial assistance is **not** awarded, parents will receive an Enrollment and Tuition Agreement through DocuSign. Parents will have one week to send the Business Office a written statement (1) if the student(s) will not attend the 2022-2023 school year or (2) appeal the decision. If the Business Office does not receive written notification by the deadline the agreement will be FULL PAY.

If ANY scholarship and/or grant is awarded after the family accepts the financial assistance, the committee may adjust the amount of the award.

The process of applying for and receiving financial assistance is kept strictly confidential. It is our intent to make this assistance available as broadly and fairly as possible. **WE DO NOT SHARE THIS INFORMATION WITH ANY GOVERNMENTAL AGENCY.** Information provided will be held confidential and is for Financial Assistance purposes only.

You will lose all financial assistance, and reimbursement of full payment will be required, if it is disclosed that you discussed ANY part of the financial assistance process including but not limited to the amount, terms or general information of your financial assistance with anyone but the Financial Assistance Department.

Tip. You may be able to get your tax return or return information from other sources. If you had your tax return completed by a paid preparer, they should be able to provide you a copy of the return. The IRS can provide a **Tax Return Transcript** for many returns free of charge. The transcript provides most of the line entries from the original tax return and usually contains the information that a third party (such as a mortgage company) requires. See **Form 4506-T, Request for Transcript of Tax Return**, or you can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Order a Transcript" or call 1-800-908-9946.
