

PLEASE READ THE INSTRUCTIONS IN ITS ENTIRETY

The financial assistance (FA) process is strictly confidential. By submitting your financial assistance packet, you agree to the terms and conditions of the financial assistance policies and procedures. Financial need is determined by the ability to meet educational expenses, not on a willingness to pay. Awards are annual, contingent upon continuing eligibility and availability of funds.

DEADLINE FOR NEW FAMILIES: The FA application is due one week from the time your Enrollment Agreement was signed.

Adhering to the deadline and responding to missing information is critical.

Financial assistance is not guaranteed.

New Applicants are required to complete 2 documents.

Document 1: FACTS Financial Assistance electronic application.

Document 2: New Applicant Additional Information document

Please review the instructions for both forms.

Both parents' information who are required to sign the Enrollment and Tuition Agreement must be included on the Application.

If parents are not married, two separate Financial Assistance Applications are required.

In addition to Meyer Prep's financial assistance, all families are required to apply or renew for Step Up for Students for the State of Florida Private School Scholarship, Family Empowerment Scholarship EO, UA or FTC.

DO NOT wait to hear if you are awarded Step Up for Students before applying for Meyer Prep's financial assistance.

Financial Assistance (FA) documents will not be accepted or processed until the Enrollment & Tuition Agreement has been signed and all monies due to Meyer Prep are paid and up to date.
